From the North/South A1/M1 Motorways take the M62 West towards Manchester.

Leave the M62 at junction 26 (signposted M606 Bradford, A58 Halifax). At the roundabout take the 6th exit, then join the M606 motorway (signposted M606). Continue to the end of the M606 passing under the roundabout, at the traffic lights bear right, continue to the next set of lights and bear left onto the dual carriageway.

Continue straight on the dual carriageway for approx 1 mile, passing through one set of traffic lights (Asda supermarket on the left). At the roundabout take the first exit on the A650 signposted City Centre / Keighley. Continue on the A650 for 2.5 miles, passing over two roundabouts and 6 sets of traffic lights. After the 6th set of lights, look out for Tesco on the left and the Ibis hotel on the right. Move into the right hand lane. At the next set of lights (Shell garage and Farnell Land Rover dealer) turn back on yourself by turning right (signposted). Driver Hire is now on your left immediately after the Shell garage. Take the first left into King's Gate.
